

Curriculum Vitae

Prof. Dr. Ulrich Brandt

Radboud Institute for Molecular Life Sciences
Department of Pediatrics, Radboud University
Medical Center
Geert Grooteplein-Zuid 10, Route 772
6525 GA Nijmegen
The Netherlands
Tel.: +31(0)24 36 67098

Email: ulrich.brandt@radboudumc.nl
www.ru.nl/english/people/brandt-u/
Researcher ID: C-4406-2008

Date of birth: January 19, 1961
Current position: Full Professor

Professional Experience

- 2018 - International Faculty Professor
University of Cologne, Department of Biology, Cologne
- 2018 - Visiting Scientist, Max-Planck-Institute for Ageing Research, Cologne,
Germany
- 2014 - Adjunct Professor
Medical Faculty, Goethe-University Frankfurt am Main
- 2012 - Deputy Chair
Radboud Center for Mitochondrial Medicine, Nijmegen, Netherlands
- 2012 - Professor for Mitochondrial Molecular Medicine
Radboud University, Medical Faculty, Nijmegen, Netherlands
- 2014 - 2018 Speaker
Radboud Technology Center for Mass Spectrometry, Nijmegen, Netherlands
- 2009 - 2012 Managing director,
Gustav-Embden Center for Biological Chemistry, Goethe-University Frankfurt
- 2004 - 2012 Head Division Molecular Bioenergetics,
Medical Faculty, Goethe-University Frankfurt am Main
- 1996 - 2013 Professor (C3) of Biochemistry
Medical Faculty, Goethe-University Frankfurt am Main
- 1997 - 2009 Deputy managing director,
Gustav-Embden Center for Biological Chemistry
Goethe-University Frankfurt
- 1996 - 2004 Acting director, Institute of Biochemistry I
Medical Faculty, Goethe University Frankfurt
- 1994 - 1996 Docent and acting director
Institute of Biochemistry I, Medical Faculty, Goethe-University Frankfurt
- 1994 Habilitation for Biochemistry, Goethe University Frankfurt
- 1991 - 1993 Research associate
Dartmouth Medical School, USA
- 1989 - 1991 Postdoctoral fellow
Center for Biological Chemistry, Goethe-University Frankfurt
- 1990 Research Project, with Dr Peter Rich and Dr Peter Mitchell
Glynn-Research Institute, UK

University Education

- 1986 - 1989 PhD thesis, 'Specific inhibitors of the mammalian respiratory chain'
Institute of Physical Biochemistry, Ludwig-Maximilians University, Munich,
Germany
- 1986 Diploma Thesis, "Reconstitution bc1 complex from bovine heart into
proteoliposomes" Eberhard-Karls University Tübingen, Germany
- 1980 - 1986 Diploma in Biochemistry
Eberhard-Karls University, Tübingen

Other

- 2021- Elected Member of the German National Academy of Sciences, Leopoldina
- 2012- Editor-in-Chief, Biochimica et Biophysica Acta
- 2005- Member of the Board of the Oswald-Stiftung und der Boris-
Rajewsky-Preisstiftung, Frankfurt am Main.
- 2005-2012 Executive Editor, Biochimica et Biophysica Acta - Bioenergetics
- 2013 Chair Gordon Research Conference on Bioenergetics
- 2011 Keynote Lecture, Euromit8, Saragossa, Spanien
- 2010 Lars Ernster Lecture, University of Stockholm, Schweden
- 1998 Raiziss Lecturer, University of Pennsylvania, USA
- 2001-2013 Senator, Goethe-Universität Frankfurt am Main
- 1997-2013 General Secretary, German Society for Biochemistry and Molecular Biology
- 1991-1993 Feodor-Lynen Fellow, Humboldt Foundation
- 1990 EMBO-Short-Term Fellowship
