RE: Nomination for election as Board Member of E-mit

I am a clinician-scientist with a 25-year career of diagnosing and treating families with mitochondrial disease. I have been UK representative for the European Mitochondrial Society (E-mit) from the start and I would be very happy to continue working as a Board Member in E-mit. In support of my application, please find my CV attached.

Yours sincerely,

Dr. Rita Horvath, MD, PhD
